NAMA Notice Board

Issue 10 | 16 March 2020

NAMA NATIONAL NOTICE TO ALL MEMBERS AND CONCERNED PARTIES

TEMPORARY SUSPENSION OF NAMA TRAINING EVENTS

Following the address to the nation by President Cyril Ramaphosa, to proactively avoid the spreading of the Covid-19 virus, NAMA, had to reach a formal decision and we will temporarily suspend all training events until further notice.

We anticipate that this proactive and drastic measure will contribute to prevent any possible spread of the virus and ensure the health and safety of all our members and clients.

All events already planned will continue once we have been advised of any amendment to the implemented restriction.

Delegates who have registered for events until the end of April 2020 can be assured that their entries remain secure and your regional coordinator will communicate with you once the situation changes.

We thank you for your continued support during this critical period.
