COMPANY PROFILE

History:

With more than 30 years' experience in Eco tourism, husband and wife team, Matie and Gerda Barnard, identified the need for a Property Management company specialising in Ecological and reserve developments. They established WPM Property Managers in 2010 and focused their services in the beautiful Waterberg area in the Limpopo Province. From there they manage a number of exclusive Sectional Title and Homeowners Associations in reserve developments.

Mission Statement:

To deliver exclusive property management services to Homeowners Associations and Bodies Corporate in the Waterberg area.

Our services:

WPM Property Managers renders an administrative and management service to various Bodies Corporate and a Homeowners Association in reserve developments.

These include;

- Personnel administration management
- Secretarial duties
- Accounting duties
- Collection of levies and other monies for our clients
- Record keeping
- Enforcement of rules within the scheme
- Insurance administration
- Repairs and maintenance
- Security management
- Infrastructure management
