Pioneer Metering has over 20 years experience in providing end to end Utility Management Services & Solutions focusing on Revenue Collection & Revenue Protection Services Associated with the use of Electricity, Water & Gas in South Africa.

OUR PRODUCTS & SERVICES

Supply & Installation Of Prepaid Electricity Meters	Supply & Installation Of Prepaid Water Meters	Prepaid Electricity & Water Vending Services
Installation Of Credit Electricity & Water Meters	Meter Reading & Meter Inspection Of Electricity, Water & Gas Meters	Billing & Invoicing Of Individual Electricity, Water & Gas Meters Directly To The End-User
Collection Of Money From End-Users For Electricity, Water & Gas Consumption	Management & Payment Of The Municipal Account For Electricity, Water & Gas	Monthly Reporting To Body-Corporates, Landlords, Owners, Residents & Managing Agents

Pioneer Metering provides peace of mind through quick, easy and accurate revenue collection processes on a monthly basis.

The benefits to the Owners, Residents, Landlords, Body Corporates, & Managing Agents are:

<u>MONTHLY UTILITY SAVINGS</u>	<u>DAILY CONSUMPTION REPORTING</u>	<u>BUDGETING</u>
The concept of pre-paying for the service allows the consumers see the saving on their utility usage through their own usage reduction initiatives.	Consumers can view their usage on the internet and/or phone thus ensuring that they have further control of their usage.	No more surprises and unbudgeted and unaffordable utility expenses.
<u>IMMEDIATE REVENUE COLLECTION</u>	<u>NO BAD DEBTS OR NON-PAYMENT</u>	<u>COST SAVINGS</u>
Funds received from prepaid purchases are paid directly into the nominated account.	Every rand and cent is collected from the water and electricity consumption. <u>No payment equals no services.</u>	No Presenting of accounts No Disconnection & Reconnection Costs If the water and electricity runs out on the meter, there is no supply to the property No debt collection fees.

UTILITY SERVICES

<u>METER AUDITING & METER READING</u>	<u>BILLING & COLLECTION</u>	<u>MUNICIPAL ACCOUNT MANAGEMENT</u>
Monthly Meter Reading and Meter Auditing Service includes checking for meter tampers and water leaks.	Emailing of accounts and collection of payments through national retail and banking network.	Reconciliation and Settlement of Municipal Account including query resolution.
