

WHY CALL AROUND? WE CAN DO IT ALL!

YOUR COMPREHENSIVE HOME CONSTRUCTION, REPAIR & SERVICES SOLUTION

We make life easier

The On Call Group is one of the few companies in South Africa which offers such a wide array of experts across many different fields. We keep the process of repairs simple, cost effective and efficient. Give us a call and one of our friendly staff will discuss your requirements.

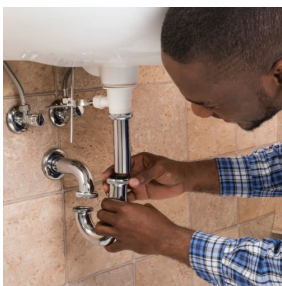

WATER BACKUP

Municipal water backup systems are not just a reliable contingency for water interruptions, but they also offer a sense of security in times of uncertainty. As water restrictions and service disruptions become more frequent, having a dedicated municipal water backup at home means you're prepared. Our systems are designed to integrate seamlessly with your existing plumbing and can be a key component in your water resilience strategy.

Reach out to us today to discover how our Municipal Water Backup solutions can provide you with peace of mind and ensure you have uninterrupted access to water, even during times of scarcity.

PLUMBING

The water pipes in your home are an essential part of its functionality. They deliver clean drinking water and help with other necessities like waste removal.

If your pipes are leaking, broken or clogged up and you need the repaired, give our team of experts a call. We specialize in all types of plumbing repairs from small jobs like replacing simple valves to more complicated projects such as installation.

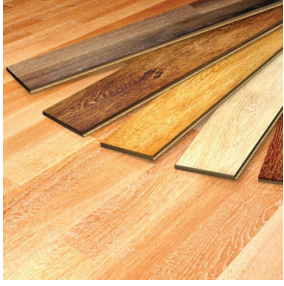

We are available for any plumbing emergency.

CONSTRUCTION

Construction and renovation projects can be very exciting. They offer an opportunity to improve your home or business and can add value to your property. The On Call Group specializes in building projects whether you're planning a major renovation or a small construction project. This includes everything from carpentry and glazing to plumbing, electricity, or ventilation systems. By working with experienced professionals, you can be assured that your construction project is completed on time, on budget, and to the highest standards. We provide a comprehensive range of products and services within the construction industry.

FLOORING

On Call Group has a wide range of flooring available to suit all needs. We do all types of flooring; laminate flooring, vinyl flooring, tiles, cement and concrete floors, wooden flooring repairs and installations.

Installation of wooden decks and cladding. Contact On Call Group if you need any type of flooring.

PAVING

Attractive paving sets the visual tone and style of your home. It is often the first part of your home your visitors will see. There are many creative ways to design walkways and pathways.

Contact us for all your driveway, patio, walkway, and pool paving.

PAINTING

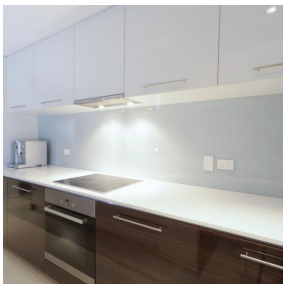

The On Call Group is here to help you tackle any painting project from start-to-finish. From interior or exterior, we have the experience and expertise in all areas of home improvement.

We also provide preventative maintenance for your property so that nothing falls through its cracks.

On Call Group painting is a great way for your company to save time and money, while still providing high-quality work.
