Dear Sir / Madam,

## MAJACON COMPANY PROFILE

Majacon is a proudly South African company, situated in Polokwane, that has been catering for their clients' individual property management needs since 2011. In conjunction with its sister companies, Majacon has built up a reputation of reliability, quality and financial stability.

The company currently has 12 community schemes under management.

Under the leadership of Andre Lombard, a qualified Civil Engineer with an MBA degree, with an excellent team of dedicated people who specialize in servicing the needs of their clients, the Company is committed to create value and to manage properties and community schemes to be proud of. Majacon takes great pride in their work and always seeks to do more than what is expected.
