COMPANY PROFILE

INTRODUCTION

Correct Consulting® is a beacon of innovation and reliability in the realm of utility bill management. Founded in 2019 by Dave, a seasoned Instruments technician with a vision, our company was born from the desire to rectify the inconsistencies and uncertainties inherent in the municipal billing systems. With unwavering dedication, Correct Consulting® has evolved into a dynamic force, dedicated to revolutionizing the way individuals and businesses perceive and manage their utility bills.

"Empowering Financial Optimization through Utility Bill Management"

CORRECT CONSULTING®

OUR HISTORY

Correct Consulting® was founded with a fundamental belief: every property owner should have the opportunity to optimize their expenses for maximum savings. This belief was born from recognizing the need for accuracy, transparency, and cost efficiency in utility bill management. From its inception, we have evolved into a dynamic force, fueled by innovation and unwavering dedication.

OUR VISION

Our vision is to revolutionize the way property owners manage their financial landscape.
